

Facilities for hire

**Ideal for overnight stays for sports teams
visiting Cambridge for major events**

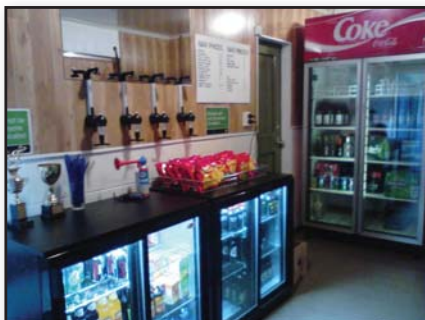

LOCATED only minutes from Cambridge's town centre, and a three-minute drive from Avantidrome, our club's facilities are available for hire — whether you're planning a private function or want somewhere for a group to stay while visiting the area.

We're experienced hosts, providing food, bar, showers, toilets and changing facilities to many visitors, ranging from families wanting to camp overnight to sports teams from throughout New Zealand.

Our **main function room** (*left and lower right*) comfortably holds up to 80 people and can be configured to meet your needs, with three couches, tables that can be used to seat small numbers or joined for larger groups. We can also provide a dance floor or a low stage, plus we have contacts if you need to hire sound or lighting equipment.

A large-screen television and radio/sound system provides entertainment.

Our **fully-licensed bar** (*above, left*) can be opened by arrangement to serve alcohol or soft drinks. Our commercial-quality **kitchen** (*above, centre*) complies with food licensing standards and is capable of catering for large groups (we provide hot meals for up to 100 adults on our match days). Our chillers, refrigerators and ovens have all been recently replaced. We have also recently upgraded our **toilets** and have converted to gas, ensuring **hot showers** for large numbers of guests if you're wanting to stay in Cambridge overnight.
